First Responder Autism Training

Wednesday, September 18, 2024

9 a.m. - 3 p.m.

Henry A. Wallace Center at the FDR Presidential Library and Home
4079 Albany Post Road, Hyde Park

Nationally renowned instructors Captain Bill Cannata and Lt. Jimmy Donohoe will teach first responders how to best interact with individuals with autism during an emergency.

Training includes:

- Identifying characteristics and behaviors of autism spectrum disorder (ASD)
- Effective communication
- Building relationships with the ASD community
- Special tactics, rescue techniques, and patient care options

NYS Social Work and CME CEUs are available for this training.

Register at dutchessny.gov/autismtraining

This seminar is made possible by a grant secured through U.S. Senator Chuck Schumer and the PO Eddie Byrne Discretionary Funding Group and administered by the Nassau/Suffolk Autism Society of America.
